### 1. Individual feedback:

- A. Ivanro – He is a good leader. He tries to listen to our voices and manage our meeting time. However, I hope that he gives me my job directly. English is my second language, so sometimes I misunderstand what my teammates say and I do not know what I should do.
- B. Jenni Jones – She is a good worker. She works on a lot of things even though she is busy with her mother's work.
- C. Allan Marina – He is also great. When he could not catch his job, he asked what he should do again and again. So, his work is great.
- D. Ian Mense – Ian is a sweet guy. He asked to greet me with a slack message and gave me some advice and encouragement. Also, he looks like a co-captain. He helps our leader, Ivanro, and makes a good meeting atmosphere.
